### FUNDRAISING

- Due to your kindness, commitment and generosity, we have been able to purchase one or two books on lifecycles, a butterfly garden, seeds, compost and pots in preparation for this half term's 'Growing' theme. These were bought with your generous 'World Book Day' donations. We have purchased two outdoor boxes that will be filled with sand and stones to enhance our outdoor area. These were very kindly made for us by a grandparent and bought with the money raised on our 80's night. We also plan one or two fundraising events over the next term as we intend to purchase a mini oven that will allow us to bake, cook and try new foods with our children. We also need to update and add to our resources to enhance the children's time spent with us. We are planning a sponsored Wheelathon and a 'Crazy Hair Day'. The forfeit for wearing crazy hair will be to fill a smartie tube with 20p's. The smartie tubes will be provided by Pre-School.
